This daughter cart features our bi-directional system that allows the cart to be pushed in either direction. It can carry up to 4000 lbs and works with any of the "B" size mother carts. The ergo handle has a bend to keep operators' hands away from the load and is at the optimum height of 43" from ground.

Additional Features Include:

- 11GA Formed Deck
- Premium Apex Caster Package
- Face Contact Brakes
- Bolt-On Ergo Handles
- Compatible With Order Picker Attachment
