Jtec's versatile flatbed with double the vertical space. This over-under cart has two carts that can travel together or separately to suit a facility's flow. The over cart includes an ergonomic insert with a tilt of 10° for safe access to parts. The under cart includes flip-up wings that give the under cart independence to be pushed either direction through the over cart. Compatible with vertical picking.

Additional Features Include:

- MoveMore-40 Compatible
- Removable Ergo Handle
- Powder Coat Finish
- Corner Captures
- Premium Apex Caster Package
- Alumilock Brakes
